Night Work to Begin on Highway 65

Lincoln – The California Department of Transportation (Caltrans) is alerting motorists that starting on Sunday, May 3 and continuing until Tuesday, June 30, a contractor (Windsor Fuel Company) will be performing night work on State Highway 65 from the Auburn Ravine Bridge in Lincoln to the Bear Creek Bridge at the Yuba/Placer county line. The work is necessary in order to repair the roadway.

The work is scheduled to occur between the hours of 7 p.m. and 5 a.m. Sunday through Thursday. One-way traffic control will be in effect.

Roadside message boards will be used to post the latest information. Unexpected weather may prolong or cause the work to be rescheduled. Caltrans urges motorists to use caution in this area and to "Slow for the Cone Zone".
